

Below is a thank-you note from a grateful student who benefited from your generosity. Thank you for supporting Laurier as we strive to instill in our students the skills, knowledge and courage necessary to lead lives of leadership and purpose.

Dear Harmonize for Speech Fund,

I am from a small town in Newfoundland, and have always been passionate about the unique relationship of music and people. My upbringing was surrounded by Atlantic ocean scenes where music and stories were a part of everyday life.

I am in my final semester of the Master of Music Therapy program, and hope to take what I learn to one day open a private practice in my home province. I feel that music can fuel connection and am excited for the wonderful opportunities to come in this worthwhile profession.

I am very grateful to have been selected for the Harmonize for Speech, Master of Music Therapy Award, and am planning to use the funds to purchase some much needed instruments for the ever-changing world of virtual music therapy, in these pandemic times.

A donation like this gives students opportunities to thrive. When we let financial and other burdens get in the way, we risk losing our reason "why" we chose these wonderful programs. Donations like this keep the spark alive in students and enable people like me to make the most of our learning experience. Thank you.

Kelsey Arsenault, Master of Music Therapy
Recipient of The Harmonize for Speech, Master of Music Therapy Award
